**Mini Squash is the UK approved programme for children aged 5 to 11 years old offering an ideal and fun introduction to the game of Squash.**

The specialised range of Dunlop equipment has been carefully designed to provide children with a fun and progressive introduction to squash. Whether it be the first experience of using a racket and ball, or developing

already built up skills, the range of equipment is tailored for all ages and abilities.

The colour coded rackets and balls work alongside the coaching materials to guide children through the levels of progression and provide coaches and teachers with a clear direction as to the most appropriate way to meet the needs of the young player.
