## CURRENT URBAN SQUASH NEWS

### Fall 2010

#### Data Driven

For twelve months, NUSEA has spearheaded what arguably is its most important contribution to the urban squash movement...

#### College Bound and College Ready

One of NUSEA's greatest claims to fame is that almost 100% of the time students stay in our programs throughout high school, they matriculate to college.

#### Rockin' in Motown

As a result of months of intensive development work in Detroit by NUSEA, Rac Up Detroit is ready for launch in January 2011!

#### New Developments

No fewer than seven urban squash start-ups are hard at work with program launches...
